135.08 BURNING PROHIBITED. No person shall burn any trash, leaves, rubbish, or other combustible material in any curb and gutter or on any paved or surfaced street or alley.

135.09 EXCAVATIONS. No person shall dig, excavate, or in any manner disturb any street, parking or alley except in accordance with the following:

Any costs incurred by the City in providing or maintaining adequate barricades, fencing or warning lights shall be paid to the City by the permit holder/property owner.

4. Bond Required. The applicant shall post with the City a penal bond in the minimum sum of \$1,000.00 issued by a surety company authorized to issue such bonds in the State. The bond shall guarantee the permittee's payment for any damage done to the City or to public property, and payment of all costs incurred by the City in the course of administration of this section. In lieu of a surety bond, a cash deposit of \$1,000.00 may be filed with the City.

In the event that the excavation is under a street, driveway, sidewalk or any other paving, the paving shall be replaced within 72 hours after the completion of the excavation. The City has the right to finish any improper or unfinished work to protect the public from harm. The permit holder/property owner will bear any

expenses incurred. The City will be held harmless by the permit holder/property owner in regard to any and all claims or injury or damage arising from acts or omissions of the authority of the permit. 7. Inspection. All work shall be subject to inspection by the City. Backfill shall not be deemed completed, and no resurfacing of any improved street or alley surface shall begin, until such backfill is inspected and approved by the City. The permit holder/property owner shall provide the City with notice at least 24 hours prior to the time when inspection of backfill is desired.

8. Completion by the City. Should any excavation in any street or alley be discontinued or left open and unfinished for a period of 24 hours after the approved completion date, or in the event the work is improperly done, the City has the right to finish or correct the excavation work and charge any expenses for such work to the permit holder/property owner.

9. Responsibility for Costs. All costs and expenses incident to the excavation shall be borne by the permit holder and/or property owner. The permit holder and owner shall indemnify the City from any loss or damage that may directly or indirectly be occasioned by such excavation.

135.10 PROPERTY OWNER'S RESPONSIBILITY FOR MAINTENANCE. The abutting property owner shall maintain all property outside the lot and property lines and inside the curb lines upon public streets and shall keep such area in a safe condition, free from nuisances, obstructions, and hazards. In the absence of a curb, such property shall extend from the property line to that portion of the public street used or improved for vehicular purposes. The abutting property owner shall not be required to remove diseased trees or dead wood on the publicly owned property or right-of-way. Maintenance includes, but is not limited to, timely mowing, trimming trees and shrubs, and picking up litter and debris. The abutting property owner may be liable for damages caused by failure to maintain the publicly owned property or right-of-way.[†]

(Code of Iowa, Sec. 364.12[2c])

135.11 FAILURE TO MAINTAIN. If the abutting property owner does not perform an action required under the above section within a reasonable time, the City may perform the required action and assess the cost against the abutting property for collection in the same manner as a property tax.

Arrangements for the prompt removal of such accumulations shall be made prior to moving the snow.

(Code of Iowa, Sec. 364.12[2])

135.13 DRIVEWAY CULVERTS. The property owner shall, at the owner's expense, install any culvert deemed necessary under any driveway or any other access to the owner's property, and before installing a culvert, permission must first be obtained from the City. In the event repairs are needed at any time with respect to culverts, it shall be the responsibility of the property owner to make such repairs, and, in the event the owner fails to do so, the City shall have the right to make the repairs. If the property owner fails to reimburse the City for the cost of said repairs, the cost shall be certified to the County Treasurer and specially assessed against the property as by law provided.
