

NEW RESTROOM FACILITY AT TERRACE PARK BEACH RECEIVES SEVERAL GRANTS

The City of West Okoboji is honored to be awarded grants from Black Hills Energy, Dickinson County Endowment Fund and the Okoboji Foundation, to help in funding the Terrace Park Beach Restroom Project. These entities saw our vision and the importance of this new facility, not only for Terrace Park Beach, but for the entire Lakes Area and Dickinson County.

The City of West Okoboji believes the new restroom will continue to enhance the area and be beneficial in promotion of tourism, economic development, and help all of those enjoying the area to reap the healthy benefits of being outdoors and active. The City thanks Black Hills Energy, Dickinson County Endowment Fund and the Okoboji Foundation for supporting this community improvement and giving everyone in Dickinson County another reason to be proud of the community we live in!
